COMPLETED	August 14, 2026 · 4:12 PM ET
SUBJECT	J■., age 29, Charlotte, NC (redacted for this sample)
PRODUCT	Full Check — Tea app, AWDTSB groups & app, image search

RESULT

NOTHING FOUND

We searched the Tea app, the AWDTSB groups and app covering your area, and the open web for your photos. We found no posts, reviews, or reused images matching your name, photos, or details.

A clean result is a real result. It's the answer most men are hoping for, and it's worth having in writing.

SECTION 01

What we searched

Tea app Searched by name, photo, and phone/dating-app handles provided.	No matching profile or post
AWDTSB groups & app Searched the main Charlotte group, plus surrounding regional and state-level groups.	No matching post
Image search Reverse image search run against the photos provided.	No reuse found

SECTION 02

What this means

This is a snapshot of today. New posts can appear at any time on either platform, and we have no way to alert you unless you're enrolled in monitoring.

Stay ahead of it — Monitoring**\$49/month**

We re-run all three checks every month and email you the moment anything new appears. Cancel any time, from a link in every email.

This report was produced by a human researcher searching live, active platforms only. We do not use leaked, hacked, or breached data, and we do not identify who may have posted about you — this report shows what exists, not who wrote it.
